Lower Income Fee:

To be eligible for the lower income fee, you need to qualify as a low-income family. This is determined by your family's gross income and is a \$ value set by the State Government (School Card)

Currently, the 2023 school card details are not yet available. This information will be sent to you with your invoice at the beginning of the 2023. **School Card must be applied for each year.** Proof of income is required and applicants will need to apply via the State Government's School Card scheme.

Our Business Manager can help you if you have any questions about applying for the lower income fee.

Need help with School Fees?

If you are concerned about your ability to meet your financial commitment to the school, we strongly encourage you to have a discussion with us. We believe a family's financial circumstances should not be a barrier to a student accessing a Catholic education. Please remember that we are unable to help you unless we are aware there is a problem.
