Lower Income Fee:

To be eligible for the lower income fee, you need to qualify as a low-income family (School Card). This is determined by your family's gross income and is a \$ value set by the State Government.

The 2024, family gross income is yet to be determined, however as a guide in 2023 the income needed to be below approximately \$66412 for a family with one school-age child. (The limit will vary depending on how many dependent children you have.)

Proof of income is required and applicants will need to apply via the [State Government's School Card scheme](#).

Please contact us if you have any questions about applying for the lower income fee.
