

17 June 2024

Dear Parents and Guardians,

This year your child's school reports will be available online. In our efforts to minimise paper usage and ensure timely access to your child's academic progress, we are transitioning to an online report card system. This format is in line with other Catholic schools in South Australia.

Reports will be issued through an online platform called SEQTA Engage. Today, you will receive a welcome email containing a setup link and instructions on how to set up your SEQTA Engage account. The link will be sent to the email address we have on file for you, and will expire after 7 days. If it appears that you have not received this link, please check your junk mail folder.

**PLEASE NOTE:** Currently, Semester 1 & 2 reports for 2023 will be visible in SEQTA Engage. Your child's Semester 1 report for 2024 will be released later this term. You will be notified via Audiri when reports have been released.

If you encounter any issues with setting up your SEQTA Engage account, please contact Assistant Principal Learning Diversity, Michelle Page: [mpage@sfoa.catholic.edu.au](mailto:mpage@sfoa.catholic.edu.au)

We believe that online access to reports will provide you with an efficient and eco-minded way to stay informed about your child's progress at school. We appreciate your continued support and partnership in your child's education.

We understand that some parents may prefer a printed report. If this is the case, please contact the school office and we will arrange for a hardcopy to be provided.

Kind regards,

Scott March  
*Principal*
